Dear Parents

Re – ‘School Life’ Text/Messaging Service

We currently use a variety of ways to communicate information to yourselves for example newsletters, the school website and School Life (our web site provider).

As you may be aware, in order to comply with the General Data Protection Regulation which came into effect on 25th May 2018, we need to obtain your consent to share your/your child’s details with a third party. **Therefore, could you please complete the slip overleaf, giving permission for us to share your/your child’s details with School Life, and return it to school by no later than Friday, 4th September 2020.**

If you fail to return the form by the above date or refuse permission, your contact details will be withheld from the service and we will be unable to use this method to communicate important information to you. We can of course provide printed copies of documentation upon request. **Please turn over.**

Thank you for your support.

Yours sincerely
