September 2020

Dear Parents

Throughout the year children will be learning about foods, preparing and cooking recipes and, of course, tasting the results of their hard work! The children will be putting their taste buds to the test trying a variety of foods that could range from porridge to spicy food!

Should your child be allergic or intolerant to any food would you please indicate this on the slip below which must be signed and returned giving consent for participation in these lessons.

If you would like to, please send an apron or old shirt into school to protect your child's uniform whilst enjoying these activities – thank you.

If you have any queries, please do not hesitate to speak to us.

Yours sincerely

Alex Rawlings (Mr)
Headteacher
